**INKLINGS colouring book by Tanya Bond: Coloring book for adults & children, featuring 24 single sided fantasy art illustrations by Tanya Bond. In this ... & other charming creatures. (Volume 1)** By Tanya Bond

**INKLINGS coloring book** for adults, teens and children.

- It features **24 one sided** fantasy art illustrations by artist **Tanya Bond**. Being single sided helps to make sure that the medium doesn't bleed onto the next design through the page. However I still recommend using a sheet of card under the page when you are colouring.

- Please note that createspace paper is medium to thin. If paper thickness is important to you please seek for artist edition of this book on etsy (which is more expensive).

- In this book you will find fairies, pixies & mermaids with their adorable companions - dragons, owls, cats, bunnies, birds, animals & other charming creatures.

- I recommend using prisma color colored pencils, polychromos coloured pencils, Marco Raffine, Inktense. Use promarkers/copics/sharpiers and other markers just for small touch ups as well as gel pens (use sheet of card under the page you are colouring)
