**Malcolm Little: The Boy Who Grew Up to Become Malcolm X** By Ilyasah Shabazz

Malcolm X grew to be one of America's most influential figures. But first, he was a boy named Malcolm Little. Written by his daughter, this inspiring picture book biography celebrates a vision of freedom and justice.

Bolstered by the love and wisdom of his large, warm family, young Malcolm Little was a natural born leader. But when confronted with intolerance and a series of tragedies, Malcolm's optimism and faith were threatened. He had to learn how to be strong and how to hold on to his individuality. He had to learn self-reliance.

Together with acclaimed illustrator AG Ford, Ilyasah Shabazz gives us a unique glimpse into the childhood of her father, Malcolm X, with a lyrical story that carries a message that resonates still today—that we must all strive to live to our highest potential.

### Editorial Review

From School Library Journal

Gr 4–7—The author of this handsome, inspirational offering is Malcolm X's daughter—an educator, activist, and motivational speaker. Though the book does provide anecdotes from the subject's childhood, it is largely the story of Malcolm's parents, Earl and Louise Little, and how they helped shape their son's character and ideology. His mother was part of the Marcus Garvey movement and was dedicated to the idea of international freedom and equality. His father was an impassioned speaker: "his words had the power to move people, to make them laugh, cry, feel, and think." At the age of four, Malcolm and his family watched their house burn at the hands of people who disagreed with the family's beliefs. While young Malcolm is described as a mischievous prankster from a large, close-knit family, the haunting fire and traumatic events that followed left him "sad, lonely confused...broken." Still, Malcolm's story ends triumphantly in the seventh grade when he, the only African American at school, is elected class president. Ford's oil paintings are accomplished and historically accurate; images of the Littles courting and Earl preaching are painterly and realistic while images of the Little children are more stylized. Dense pages of text make this offering more suitable for upper-elementary or middle-school students.—Barbara Auerbach, New York City Public Schools

### Review

"The childhood of the controversial African-American activist was shaped by parental love and white racism.

Writing with the fervor and intensity of a motivational speaker, Shabazz recounts her father's early years, which were filled with the loving support and teachings of his parents as well as the hate and destruction of the Ku Klux Klan.... With the passion of a preacher, she celebrates love, respect, tolerance and education without restraint.... Ford's oil paintings, framed on the page, are lush and filled with detail.

A daughter's proud...tribute to her father and his parents." (*Kirkus Reviews*, November 2013)

"Shabazz (*Growing Up X*) pays affectionate tribute to her father, Malcolm X, and his parents in this account of the activist's childhood.... Shabazz relays...Malcolm's resolve to succeed and remain true to his parents' values after he loses his father "to the brute force of racism and the narrow-mindedness of the Ku Klux Klan," and his mother is deemed "no longer fit to care for her children." Ford's (*My Daddy, Dr. Martin Luther King, Jr.*) oil paintings render joyous and desolate moments with equal skill." (*Publishers Weekly*, October 2013)

"The author of this handsome, inspirational offering is Malcolm X's daughter—an educator, activist, and motivational speaker. . . . Ford's oil paintings are accomplished and historically accurate." (*School Library Journal*, January 2014)

"Before he became the black nationalist leader known as Malcolm X, Malcolm Little was a boy who loved fishing and butterflies. His daughter, Ilyasah Shabazz, aided by AG Ford's vivid paintings, outlines a childhood marked by love and tragedy." (*Usa Today*, February 2014)

### About the Author

Ilyasah Shabazz, daughter of Malcolm X, is an activist, motivational speaker, and author of the critically

acclaimed *Growing Up X*. Ilyasah promotes higher education, interfaith dialogue, and building bridges between cultures for young leaders of the world.
