Rooster's Off to See the World: Book & CD (The World of Eric Carle) By Eric Carle

Eric Carle's beloved tale, *Rooster's Off to See the World*, now comes with a CD narrated by award-winning actor Stanley Tucci!

Rooster has gotten tired of living on the farm, so one sunny day he decides that he wants to travel and see the world. But Rooster is feeling a bit lonely on his outing. So when he meets two cats, he invites them to come along. And then he meets three frogs, four turtles, and five fish who all join, too! But Rooster hasn't thought about food or shelter. When his newfound companions head back home, the hungry and homesick Rooster eventually follows. He's learned that while it's wonderful to set out on an adventure, there's nothing as sweet as coming home.

With his trademark collage illustrations and lively text, Eric Carle helps young readers count from one to five and then back down from five to one in this delightful story that's now available as a book & CD narrated by Stanley Tucci!

Editorial Review

About the Author

Eric Carle is an internationally bestselling and award-winning author and illustrator of more than seventy books for very young children including his most well-known title *The Very Hungry Caterpillar*. Born in Syracuse, New York, Eric Carle moved to Germany with his parents when he was six years old. He studied at the prestigious art school, the Akademie der bildenden Künste, in Stuttgart before returning to the United States, where he worked as a graphic designer for *The New York Times* and later as art director for an international advertising agency. *The Very Hungry Caterpillar*, now considered a modern classic, has sold more than 41 million copies and has been translated into sixty-two languages. With his late wife, Barbara, Eric Carle cofounded The Eric Carle Museum of Picture Book Art in Massachusetts in 2002. Eric Carle divides his time between the Florida Keys and the hills of North Carolina.
