Shadow Over Avalon By C.N Lesley

..."Author C.N. Lesley's second novel, Shadow Over Avalon is an exquisite science-fantasy that portrays a world divided with masterful skill and detail...Inspired by literature's most-loved King, this novel remains true to his purpose yet breaks every boundary to portray his challenge in the future. In all aspects, from the brilliant characterization to the warriors' undying courage, this story is a journey like no other. Brought to life with breathtaking prose that is emotive and compelling, this book, like its inspiration, is destined for the halls of legend..." Jeanne Haskin, Editor, Artema Press.

Fortune twists in the strongest hands. This is no repeat; this is what happens next.

A man, once a legend who bound his soul to his sword as he lay dying, is now all but a boy nearing the end of his acolyte training. Stifled by life in the undersea city of Avalon, Arthur wants to fight side by side with the air-breathing Terrans, not spend his life as servant to the incorporeal sentient known as the Archive. Despite the restrictions put on him by Sanctuary, he is determined to help the surface-dwellers defeat predators whose sole purpose is to ensure their own survival, no matter the cost.

Ashira, War Maid and princess of the surface-world, is ready to sacrifice her life to defend her kin, but when she is betrayed and cast out of the life chosen for her, she must choose whether to die with honor or become one of the creatures her kinsmen fear and loathe.

Following two threads of time, C.N. Lesley's new incarnation of the Arthurian tales of old delivers the perfect blend of science fiction and fantasy.
