By Holly Diehl; Diane Nettles

Understanding text is key to students' learning success! This notebook, developed for grades K-8, provides explicit instructions for teaching six fundamental comprehension strategies; predicting, making connections, visualizing, questioning, inferring, and summarizing. Great for novice, experienced, and content-area teachers, this resource includes templates and tools as well as instructions on how to incorporate these strategies into a core curriculum. This resource is correlated to College and Career Readiness other state standards.

### About Shell Education

Rachelle Cracchiolo started the company with a friend and fellow teacher. Both were eager to share their ideas and passion for education with other classroom leaders. What began as a hobby, selling lesson plans to local stores, became a part-time job after a full day of teaching, and eventually blossomed into Teacher Created Materials. The story continued in 2004 with the launch of Shell Education and the introduction of professional resources and classroom application books designed to support Teacher Created Materials curriculum resources. Today, Teacher Created Materials and Shell Education are two of the most recognized names in educational publishing around the world.
