Editorial Review

Review

"Revivified to an extent that even the best biographies rarely achieve... [Che] challenges his audience to study, work, and to join the front lines of struggles. His public, the youth of Cuba, is also the world at large.... [A]ny sizable library serving Spanish-speaking young adults should include [Che Guevara habla a la juventud, Spanish edition of Che Guevara Talks to Young People." --**Criticas** review of the Spanish edition
