### Christmas at Carrington's (Carrington's) By Alexandra Brown

A deliciously indulgent read and the follow up to Cupcakes at Carrington's. Set in Carrington's Department Store this is perfect for fans of Jenny Colgan.

Georgie Hart loves Christmas time at Carrington's Department store. Running the luxury handbag department, Georgie adores helping customers in the hunt for the perfect gift for the perfect someone. And this year is no exception – now she has the hunky Tom, Mr Carrington himself, to spend the special day with.

But when Tom springs a surprise, Georgie's plans are thrown into chaos. Carrington's is getting a fresh lease of life in a hot new reality TV show, featuring formidable retail guru, Kelly Cooper.

As the first show airs, Georgie is shown in a far from flattering light. Worse is to come when Kelly's vile daughter appears to get her claws into Tom. Georgie fears this will be the worst Christmas ever, but Santa still has a little surprise for her stocking this year – she'll just have to wait until Christmas to find out...
