El libro de Enoc (Spanish Edition) By Enoc, Jose Luis Belmonte

El libro de Enoc ha sido mencionado en muchos otros libros a lo largo de la Historia. Está catalogado como literatura apocalíptica judía, libros en su mayoría no reconocidos por la Iglesia (apócrifos) los cuales tienen la siguiente estructura: aparece un sabio notorio o un profeta bíblico, como Adán, Ezra o el propio Enoc, a quien durante un sueño le son reveladas una serie de visiones que un ángel va interpretando. Da a conocer no solo a los arcángeles sino también a muchos ángeles. Explica que estos pueden caer y cuáles son los motivos de su caída, y a la vez narra los orígenes del mal. Se presenta aquí una nueva traducción de la que realizó Richard Laurence del manuscrito original etíope.

Editorial Review

Users Review

From reader reviews:

Jaime Leflore:

What do you think of book? It is just for students since they are still students or the idea for all people in the world, the actual best subject for that? Merely you can be answered for that problem above. Every person has distinct personality and hobby for each and every other. Don't to be forced someone or something that they don't need do that. You must know how great along with important the book El libro de Enoc (Spanish Edition). All type of book could you see on many solutions. You can look for the internet options or other social media.

Javier Link:

This book untitled El libro de Enoc (Spanish Edition) to be one of several books that best seller in this year, that's because when you read this reserve you can get a lot of benefit into it. You will easily to buy this kind of book in the book shop or you can order it by using online. The publisher on this book sells the e-book too. It makes you more readily to read this book, because you can read this book in your Smartphone. So there is no reason for you to past this publication from your list.

James Kostka:

Your reading sixth sense will not betray a person, why because this El libro de Enoc (Spanish Edition) guide written by well-known writer who knows well how to make book that can be understand by anyone who else read the book. Written within good manner for you, leaking every ideas and creating skill only for eliminate your hunger then you still hesitation El libro de Enoc (Spanish Edition) as good book but not only by the cover but also from the content. This is one publication that can break don't assess book by its deal with, so do you still needing an additional sixth sense to pick this specific!? Oh come on your examining sixth sense already said so why you have to listening to another sixth sense.

Daniel Young:

You may spend your free time to study this book this reserve. This El libro de Enoc (Spanish Edition) is simple to develop you can read it in the recreation area, in the beach, train and soon. If you did not have got much space to bring the actual printed book, you can buy typically the e-book. It is make you quicker to read it. You can save the actual book in your smart phone. Therefore there are a lot of benefits that you will get when one buys this book.
