From Age to Age: How Christians Have Celebrated the Eucharist (Revised and Expanded Edition) By Edward Foley

2009 Catholic Press Association Award Winner!

From age to age you gather a people to yourself, so that from east to west a perfect offering may be made to the glory of your name."

Eucharist is the fullest expression of our life with God, a life we share with Christians throughout the ages. It is also a sensory experience, engaging us in the sights and sounds, tastes and touch of the worship. Edward Foley's revised and expanded *From Age to Age* draws readers into that sensory experience. He traces the development of Christian Eucharist from its Jewish roots to our own time. In addition to exploring the architecture, music, books, and vessels that contributed to each period's liturgical expressions, this edition introduces readers to the theology of each age as well as the historical and cultural contexts that shaped the Eucharist. Richly illustrated with numerous images and quotations from period texts, this book is a feast for the mind and eye. Through many examples of the visual and auditory symbols that are central to Eucharist, readers will discover how Christian worship is embodied worship that from age to age gives glory to God and sanctifies people.

Also available in Spanish. Tambien esta disponible en espanol.

Edward Foley, Capuchin, PhD, is Professor of Liturgy and Music and founding Director of the Ecumenical Doctor of Ministry Program at Catholic Theological Union. A prolific author, he is coeditor of and contributor to a commentary on the General Instruction of the Roman Missal (Liturgical Press, 2008) and coauthor of Mighty Stories, Dangerous Rituals: The Intersection of Worship and Pastoral Care (Jossey-Bass, 1998).

Editorial Review

Review

What a useful book! So many histories of the Eucharist deal primarily with its theological development, it is a pleasure to have a book in a format large enough to accommodate architectural drawings, substantial apposite quotations in the margins, photos of liturgical vessels from Roman times to the present, substantial sections on the written forms of liturgical texts from scrolls to books, the development of music from single voice poetic recitation of psalms and prayers.

Catholic Books Review

The original edition of Foley's book found a broad audience because it distilled an enormous amount of state-of-the-art liturgical scholarship into an informative, reader-friendly overview of the history of the Roman Mass. This edition repeats that accomplishment and does it even better.

Theological Studies

Edward Foley's large and graphically grand new edition of *From Age to Age* helps all of us realize that our Christian roots (in eternity, of course, but also in time, in the form of ceremonies, chalices, architecture) are thoroughly fascinating and humbling, endearing and supportive.

Review for Religious

Edward Foley's revised and expanded edition of *From Age to Age* is an even more valuable resource for anyone interested in understanding and appreciating the Christian Eucharist than the original proved to be sixteen years ago. This revision, at nearly twice the size of the original, is a welcome addition to any liturgical library. For all who have not had the opportunity to discover the riches of the first edition, this book is a must for your reading list. You will be sure to walk away with a renewed love of, appreciation for, and understanding of the Eucharist as it has evolved throughout the ages.

Pastoral Music

From Age to Age is the definitive reference and resource for anyone studying this venerable tradition of Christian worship.

The Midwest Book Review

As a text for an undergraduate course on the history of worship, there is simply nothing to compare to it for breadth of material in an engaging format.

Tom Lawson, DMin, Ozark Christian College, Joplin, Missouri

It seems to me that we are living in a time in the life of the Church when there are some who wish to 'reform' the liturgical reforms of Vatican II, often in complete ignorance. Alive contemporary liturgy is rooted in preserving the best practices of the past and being open to God's creative spirit in the present. I

believe that Ed Foley's newly revised and expanded liturgical work *From Age to Age* is an essential and classic text in helping local parishes and pastors enliven our liturgies. More than just providing an excellent historic overview of liturgy, Ed's very creative work helps us to understand the theological and cultural settings from which our liturgy has, and continues to, emerge.

Monsignor Robert M. Perkins, Pastor, Church of the Immaculate Conception, Hampton, Virginia

The genius of this book is that it is almost a multimedia experience between two covers. . . . Most impressive, though, is the vast number of images throughout the text—art pieces, book illustrations, schematic drawings, floor plans, photographs of buildings and artifacts, musical notation—all of which supplement the author's argument that to understand the history of the Eucharist fully one needs to look broadly at the culture that surrounded it as well as at the liturgical texts and theological underpinnings. This is a great text for the interested nonprofessional as well as the academic. Parish study groups and liturgy committees would both enjoy this book and benefit greatly from it.

U.S. Catholic

Review

"This is an excellent historical survey of the development of the eucharistic celebration, with very helpful treatment of developments in architecture, music, books, vessels, and eucharistic theology in each major era. Running alongside the text are well-chosen quotations, photographs, diagrams, and musical examples. Each chapter ends with a delightful story suggesting what it must have been like for real people who celebrated the eucharist. This second revised edition is nearly twice as long as the original, and readers will welcome the addition of eucharistic theology to each chapter, as well as the expansion of the quotations and accompanying material. This will be an indispensable text on the eucharist for teachers and students. Congratulations to the author for this achievement--very highly recommended!"

A prolific author, he is coeditor of and contributor to *A Commentary on the General Instruction of the Roman Missal* (Liturgical Press, 2008) and coauthor of *Mighty Stories, Dangerous Rituals: The Intersection of Worship and Pastoral Care* (Jossey-Bass, 1998).

Users Review

From reader reviews:

Teresa Hunter:

Nowadays reading books be a little more than want or need but also work as a life style. This reading addiction give you lot of advantages. The advantages you got of course the knowledge your information inside the book which improve your knowledge and information. The information you get based on what kind of e-book you read, if you want have more knowledge just go with training books but if you want really feel happy read one along with theme for entertaining including comic or novel. Often the *From Age to Age: How Christians Have Celebrated the Eucharist (Revised and Expanded Edition)* is kind of book which is giving the reader unstable experience.

Arnulfo Walls:

The reason? Because this *From Age to Age: How Christians Have Celebrated the Eucharist (Revised and Expanded Edition)* is an unordinary book that the inside of the publication waiting for you to snap it but latter it will shock you with the secret that inside. Reading this book alongside it was fantastic author who else write the book in such wonderful way makes the content interior easier to understand, entertaining approach but still convey the meaning fully. So , it is good for you for not hesitating having this ever again or you going to regret it. This excellent book will give you a lot of benefits than the other book possess such as help improving your skill and your critical thinking method. So , still want to delay having that book? If I ended up you I will go to the reserve store hurriedly.

Nancy Sherman:

Reading a book being new life style in this calendar year; every people loves to study a book. When you learn a book you can get a great deal of benefit. When you read textbooks, you can improve your knowledge, due to the fact book has a lot of information onto it. The information that you will get depend on what types of book that you have read. If you wish to get information about your analysis, you can read education books, but if you want to entertain yourself you are able to a fiction books, this sort of us novel, comics, as well as soon. The *From Age to Age: How Christians Have Celebrated the Eucharist (Revised and Expanded Edition)* will give you new experience in studying a book.

Ernest Nunez:

Beside this particular *From Age to Age: How Christians Have Celebrated the Eucharist (Revised and Expanded Edition)* in your phone, it could possibly give you a way to get closer to the new knowledge or details. The information and the knowledge you may got here is fresh from oven so don't end up being worry if you feel like an older people live in narrow village. It is good thing to have *From Age to Age: How Christians Have Celebrated the Eucharist (Revised and Expanded Edition)* because this book offers to your account readable information. Do you often have book but you would not get what it's facts concerning. Oh come on, that will not end up to happen if you have this with your hand. The Enjoyable set up here cannot be questionable, including treasuring beautiful island. So do you still want to miss the item? Find this book and read it from at this point!
