Evangelical apologist and radio show host Hanegraaff here reads an abridgment of his defense of the resurrection of Jesus, as well as the orthodox doctrine of the event. One of the strengths of this work is its comparisons of major differences between this view of the resurrection and views held by other religions. Hanegraaff's radio program is broadcast throughout the United States and Canada, and his experience is evident in this recording. His voice is expressive and well modulated, as shown by the enthusiasm and energy he displays throughout the recording. However, the music that accompanies the reading is often overwhelming and distracts from his arguments. M.T.F. © AudioFile 2001, Portland, Maine-- *Copyright © AudioFile, Portland, Maine*
