The Book of Solomon's Magick By Carroll Poke Runyon, Poke Runyon

This book presents unique and effective practical methods for invoking angels into a crystal ball and evoking spirits to visible appearance in a dark mirror. It is the companion book to "The Magick of Solomon" video produced by the same author. The techniques taught in this system are hypnotic and subjective. No special psychic talents are required to master this system. The author guides the reader step-by-step to proficiency in the ancient art of Magick.

Editorial Review

Review

... What makes this (book) remarkable is that the theoretical part (the first half) is easy to read and understand (more or less), due partly to Runyon's mastery of his topic and partly to his folksy, down-home style. . . He takes a hugely complex subject and actually makes it interesting and comprehensible. The second half goes on to outline the rituals and describe in detail the 72 spirits of Solomon and illustrate their sigils. . . -- *Ed Buryn, author-artist : The William Blake Tarot*

It is rare that we see such an explicit, and well-written guidebook for a subject matter that's been secret for thousands of years. This book is a must read for anyone interested in the supernatural. I give it my highest recommendation. -- *Geoffrey James, author: Angel Magic and The Enochian Magick of Doctor John Dee*

The Book of Solomon's Magick commences with a personal narrative by Runyon of his involvement in magick, including an initiatory near-death experience . . . The bulk of the book, however, is the clearest exposition I have ever seen of the modern meaning of ritual magick, the complex system of spirits invoked, and the practical set-up of a magickal temple. . . -- *Robert S. Ellwood, Univ. of S. Calif.*

Users Review

From reader reviews:

Lester Gibbons:

The knowledge that you get from The Book of Solomon's Magick is a more deep you digging the information that hide within the words the more you get thinking about reading it. It does not mean that this book is hard to understand but The Book of Solomon's Magick giving you thrill feeling of reading. The writer conveys their point in a number of way that can be understood by means of anyone who read this because the author of this book is well-known enough. This particular book also makes your own vocabulary increase well. It is therefore easy to understand then can go along with you, both in printed or e-book style are available. We suggest you for having this The Book of Solomon's Magick instantly.

Cheryl Waller:
