Actioning - and How to Do It By Nick Moseley

Actioning is one of the most widely used rehearsal techniques for actors. It helps bring clarity to every moment or thought in the text, energising rehearsals and bringing performances to life.

Actioning will enable you to discover and unlock newfound energy, range, variety and clarity of body and voice, by:

Signposting each thought to your scene partner
From the publishers of the internationally successful *Actions: The Actors' Thesaurus*, this is the first in-depth exploration of Actioning for student actors, those who train them, and professionals working in the industry, whether they're brand new to the technique or have been practising it for years. The book draws on concepts from Stanislavsky, using sample scenes from classic plays such as *The Seagull* and *The Importance of Being Earnest*, as well as contemporary pieces, and is filled with exercises to demonstrate the technique at work. *Actioning - and How to Do It* is the indispensable companion to this vital component in every actor's toolkit.
