### Deep By Skye Warren

"Possessive. Protective. Territorial. Philip Murphy is exactly what I want in an alpha-male!" - Lynda Chance, New York Times bestselling author

A thrilling new standalone novel from New York Times bestselling author Skye Warren...

Dark. Powerful. Dangerous.

Philip Murphy has all of Chicago under his thumb. Except me.

We met in a perfect storm of violence and lust. He saved me and then disappeared from my life. Now I pretend I never knew that kind of darkness. I focus on midterms and campus parties, as if they can wipe the slate clean.

Then he turns up outside my dorm room--wounded and barely conscious. He's the head of a criminal empire, a powerful man, but he needs me now. There are traitors in his midst.

I can help him, but I can't fall for him.

Not again.

Author's Note: DEEP is a dark contemporary romance novel that can be read as a standalone! It's set in the Chicago Underground world, and you are invited to read those books once you read Philip's story.
