Fire Service Instructor: Principles And Practice By IAFC

The National Fire Protection Association (NFPA), International Association of Fire Chiefs (IAFC), and International Society of Fire Service Instructors (ISFSI) are pleased to bring you Fire Service Instructor: Principles and Practice, a new text developed to meet and exceed the 2007 Edition of NFPA 1041, Standard for Instructor Professional Qualifications. This text, which utilizes a case-based approach to learning in order to encourage critical thinking, is the core of an integrated teaching and learning system for Fire Instructor I and II level courses. Fire Service Instructor: Principles and Practice is not only designed to help students meet the requirements to become a fire instructor, but also to empower them to become great educators within the fire and emergency services. Listen to a Podcast with Fire Service Instructor: Principles and Practice editor Forest Reeder to learn more about this training program! Forest discusses the concise nature of the text, its real world focus on how training is delivered in today's classrooms and training grounds, and the technology resources available to support the text.
