Grand Slam Winners: Volume 1 By Tunde Oyedoyin

Winning a Grand Slam is, for any tennis player, what a Grammy is for an artist. Get a Grand Slam title under your belt, and you'll never walk alone, you're made for life, and you're no more a footnote in tennis history. A tennis player can make money from winning any other tournament, but the only way of finding immortality is by winning a Grand Slam. The Grand Slam is what makes you the "Special One." Without disrespect to anyone, just one Grand Slam win is what makes Yannick Noah different from other tennis players of French origin. It's no surprise that Andy Roddick famously said in Lyon in 2005 that, "Five titles are not that bad for a season," however, "I would trade all of them against a single Grand Slam title." This book is about the immortal souls of tennis.
