Testing Fate (#3, The Mystic Wolves) By Belinda Boring

Nothing burns as bright as the flames of the refiner's fire.

Moments after hearing the Council sentence her enemy to life imprisonment for attempted murder and illegal use of magic, Darcy is whisked away by the Fates—accused of tampering with destiny. The cherished dream she shared with Mason has been called into question, placing doubt about whether they are actually true mates. To resolve it, a price must be paid—the Heart or Death—a grueling series of tests designed to reveal a person's worth.

The stakes are high and Darcy finds herself facing the unknown in conditions that leave her more vulnerable than she's ever been. Separated from Mason and her Pack, with Devlin as her only companion, she is pushed to her very limits. She must succeed—or lose everything.

Will she crumble under the pressure or emerge stronger for testing fate?

Editorial Review

Review

The Mystic Wolves is a BESTSELLING Paranormal Romance!

"Belinda Boring really is the queen of swoon. Testing Fate had all the elements to stop my heart and keep me guessing until the very end." ~Jessica Gibson, author of the bestselling *Boston Witches* series.

"After finishing Testing Fate, I have a few monikers of my own for the "Queen of Swoon": Sire of Suspense, Countess of Cliffhanger, and Administer of Emotional Torture." ~ Justine Littleton, Bex 'n' Books.

From the Author

Snippet:

"But, do you truly understand what you're saying? Are you willing to put Darcy and your Pack through more attempts like Amber's? Are you willing to fight a challenge with every suitor that comes along?"

"Yes. If that's what is needed, then I will beat them all!" Mason's body stiffened with determination and I could only imagine what his wolf was experiencing below the surface. Male werewolves were dominant and extremely territorial. I had no doubt Mason would fight to the death, as many times as he needed to, in order to keep me by his side.

"I am sure you would, young Alpha. But are you willing to have Darcy do that as well? Will you be able to watch her fight to the death? Is your pride worth the risk? Are you willing to test fate?"

Users Review

From reader reviews:

Araceli Burns:

The book Testing Fate (#3, The Mystic Wolves) gives you the sense of being enjoy for your spare time. You can use to make your capable much more increase. Book can being your best friend when you getting stress or having big problem along with your subject.
