The Drowned Girls (Angie Pallorino Book 1) By Loreth Anne White

He surfaced two years ago. Then he disappeared.

But Detective Angie Pallorino hasn't forgotten the violent rapist who left a distinctive calling card—crosses etched into the flesh of his victims' foreheads. When a comatose Jane Doe is found in a local cemetery, sexually assaulted, mutilated, and nearly drowned, Angie is struck by the eerie similarities to her earlier unsolved rapes. Could *he* be back?

Then the body of a drowned young woman, also bearing the marks of the serial rapist, floats up in the Gorge, and the hunt for a predator becomes a hunt for a killer. Assigned to the joint investigative task force, Angie is more than ready to prove that she has what it takes to break into the all-male homicide division. But her private life collides with her professional ambitions when she's introduced to her temporary partner, James Maddocks—a man she'd met just the night before in an intense, anonymous encounter.

Together, Angie and Maddocks agree to put that night behind them. But as their search for the killer intensifies, so does their mutual desire. And Angie's forays into the mind of a monster shake loose some unsettling secrets about her own past. How can she fight for the truth when it turns out her whole life is a lie?

Users Review

From reader reviews:

Michael Watkins:

Book is written, printed, or outlined for everything. You can understand everything you want by a guide. Book has a different type. As we know that book is important matter to bring us around the world. Beside that you can your reading talent was fluently. A e-book The Drowned Girls (Angie Pallorino Book 1) will make you to be smarter. You can feel far more confidence if you can know about every little thing. But some of you think that open or reading a book make you bored. It is not make you fun. Why they may be thought like that? Have you looking for best book or ideal book with you?

Patrick Richards:

Reading a book can be one of a lot of task that everyone in the world enjoys. Do you like reading book thus. There are a lot of reasons why people enjoyed. First reading a publication will give you a lot of new facts. When you read a publication you will get new information mainly because book is one of a number of ways to share the information or even their idea. Second, reading through a book will make a person more

imaginative. When you studying a book especially fictional book the author will bring that you imagine the story how the characters do it anything. Third, it is possible to share your knowledge to others. When you read this The Drowned Girls (Angie Pallorino Book 1), you may tell your family, friends and also soon about yours book. Your knowledge can inspire the mediocre, make them reading a book.

Jennifer Fountain:

Playing with family inside a park, coming to see the marine world or hanging out with friends is thing that usually you could have done when you have spare time, in that case why you don't try matter that really opposite from that. Just one activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love The Drowned Girls (Angie Pallorino Book 1), you could enjoy both. It is good combination right, you still would like to miss it? What kind of hang-out type is it? Oh come on its mind hangout men. What? Still don't get it, oh come on its identified as reading friends.

John Yang:

This The Drowned Girls (Angie Pallorino Book 1) is new way for you who has interest to look for some information mainly because it relief your hunger associated with. Getting deeper you upon it getting knowledge more you know or you who still having little bit of digest in reading this The Drowned Girls (Angie Pallorino Book 1) can be the light food for you because the information inside this specific book is easy to get through anyone. These books develop itself in the form that is reachable by anyone, that's why I mean in the e-book contact form. People who think that in reserve form make them feel drowsy even dizzy this reserve is the answer. So there isn't any in reading a e-book especially this one. You can find actually looking for. It should be here for an individual. So , don't miss it! Just read this e-book type for your better life and also knowledge.
