### **Dr. Denmark Said It!: Advice to Mothers from America's Most Experienced Pediatrician** By Madia L Bowman

Practical guide for mothers of infants up to the age of 13, in keeping their children healthy and out of the doctor's office by maintaining good health practices. Author Madia L. Bowman interviewed Dr. Leila Denmark as she encountered various health issues for her own eleven children, and catalogued the good doctor's advice for mothers around the country and the world. Dr. Denmark, America's longest practicing doctor with 75 years experience, was awarded often, conducted eleven years research to help develop a vaccine for whooping cough (pertussis), and awarded an honorary doctorate by Emory University medical school. Sought out by parents around the world, her advice continues to empower mothers to use their own best instincts in caring for their young children. Extensively indexed and cross referenced, this book is a vital practical, useful volume for mothers.
