King's Knight (Medieval Warriors Book 4) By Regan Walker

“A tantalizing and intriguing tale of medieval chivalry, intrigue, passion, duty, honor and romance. Walker's knowledge of history shines through. Masterfully and brilliantly written!”

— My Book Addiction and More

HE SEIZED LIFE BY THE THROAT

Dubbed the Black Wolf for his raven hair, his fierceness in battle and his way with women, Sir Alexander of Talisand attacked life as he did the king's enemies. But acclaim on the battlefield and his lusty escapades did not satisfy. King William Rufus would bind him to Normandy through marriage to one of its noblewomen, but the only woman Alexander wanted was a commoner he had saved from a terrible fate.

SHE KEPT MEN AT BAY WITH HER BOW

The shame of being the child of a Norman's rape dogged Merewyn's steps from her youth. Determined never to be a victim of a man's lust like her mother, in Wales she donned the garb of an archer and developed extraordinary skill with a bow. Despite her fair beauty, men now keep their distance. No longer in need of protection from other men, can Merewyn protect herself from Alexander when he holds her heart yet can never be hers?

Praise for the Medieval Warriors series:

“This series captures the medieval era perfectly, creating the true sensation of traveling back in time to experience epic, riveting love stories that ignite the imagination. Beautifully written, perfectly paced and action-packed... What more can you ask?” — The Book Review

Review

"... a tantalizing and intriguing tale of medieval chivalry, intrigue, passion, duty, honor and romance. Walker's knowledge of history shines through. Masterfully and brilliantly written!" -- My Book Addiction and More

"Wonderfully researched historical fiction, filled with romance, danger and intrigue. I fell for Sir Alexander the moment he rode through the gates of Talisand. Merewyn is fearless, unconventional, and yet vulnerable. The perfect pair!" -- Good Friends, Good Books

"A sweeping tale that pulls you in at the very beginning and doesn't let you go. Along with a wonderfully developed romance, there is political intrigue and a great cast of supporting characters begging for their story to be told. It's medieval romance at its finest. Well done, Regan Walker! Very, very well done!" -- The Reading Cafe

"Picturesque setting, quick paced plot and breathtaking dialogue." - Tartan Book Reviews
