My Lady Jane By Cynthia Hand, Brodi Ashton, Jodi Meadows

New York Times Bestseller * Publishers Weekly Best Young Adult Book of 2016 * Bustle Best Young Adult Book of 2016 * YALSA 2017 Best Fiction for Young Adults

This comical, fantastical, romantical, *New York Times* bestselling, (not) entirely true story of Lady Jane Grey is “an uproarious historical fantasy that’s not to be missed” (*Publishers Weekly*, starred review). In *My Lady Jane*, coauthors Cynthia Hand, Brodi Ashton, and Jodi Meadows have created a one-of-a-kind YA fantasy in the tradition of *The Princess Bride*, featuring a reluctant king, an even more reluctant queen, a noble steed, and only a passing resemblance to actual history—because sometimes history needs a little help.

At sixteen, Lady Jane Grey is about to be married off to a stranger and caught up in a conspiracy to rob her cousin, King Edward, of his throne. But those trifling problems aren’t for Jane to worry about. *Jane* gets to be Queen of England.

Like that could go wrong.

Editorial Review

From School Library Journal

Gr 9 Up—In real life, Edward VI and Lady Jane Grey died young in 16th-century England. Here, Edward and Jane get another chance at happiness thanks to the irrepressible imaginations of the authors. Adventure, intrigue, humor, and romance abound—so, too, does high fantasy. England is a place where people (including royalty) are either EDians (those who can shape-shift) or Verities (those who cannot). Because many Verities believe EDian magic is evil, they set about to obliterate it. EDians retaliate. Also, someone keeps poisoning the king's food. The plot, then, involves Edward, Jane, and their allies trying to figure out how to keep peace in the kingdom, find out who is poisoning the king's food, and restore Edward to the throne (he is presumed dead and gads about incognito for part of the book). EDian "facts" are woven in with such subtle assurance that they come across as a genuine part of English history. For instance, the year the volatile Henry VIII discovered his leonine animal form and devoured the court jester is known in the kingdom's collective memory as the Year of the Lion. Wisecracks are prevalent, which would be grating after a while if the characters did not fairly sparkle with the complete array of honest human qualities. Readers will need to know the basic backstory of Lady Jane Grey and Edward VI. VERDICT A great choice for those who enjoy lighthearted, alternative history adventures and romance.—Jennifer Prince, Buncombe County Public Libraries, NC

Review

“Wacky, irreverent, and just plain fun. This fantasy-adventure politely tips its hat to history before joyfully punting it out of the way. An utter delight.” (Booklist (starred review))

“An uproarious historical fantasy that’s not to be missed.” (Publishers Weekly (starred review))

“Gleefully anachronistic comedy.” (Kirkus Reviews)

“Three cheers for this well-written and rollicking revision of history full of timely mannerisms and bold adventure. Those who enjoy clever humor, colorful fantasy, and light romance will savor each page.” (Voice of Youth Advocates (VOYA))

“The Tudors meets Monty Python. Prepare to laugh and gasp and clutch your pearls.” (Tahereh Mafi, New York Times bestselling author of the Shatter Me series)

“History, humor, and unexpected magic come together in this marvelous story.” (Jessica Day George, author of Silver in the Blood)

“Adventure, intrigue, humor, and romance abound. A great choice for those who enjoy lighthearted, alternative history adventures.” (School Library Journal)

From the Back Cover

EDWARD is the King of England. He’s also dying, which is inconvenient, as he’s only sixteen and he’d much rather be planning for his first kiss than considering who will inherit his crown. . . .

JANE is Edward’s cousin, and far more interested in books than in romance. Unfortunately for Jane, Edward has arranged to marry her off to secure the line of succession. And there’s something a little odd about her

intended . . .

GIFFORD is a horse. That is, he's an Eðian (eth-y-un, for the uninitiated). Every day at dawn he becomes a noble chestnut steed—but then he wakes at dusk with a mouthful of hay. It's all very undignified.

THE PLOT THICKENS as Edward, Jane, and G are drawn into a dangerous conspiracy. With the fate of the kingdom at stake, our heroes will have to engage in some conspiring of their own. But can they pull off their plan before it's off with their heads?

The comical, fantastical, romantical, entirely true story of Lady Jane Grey but not really

Lady Jane Grey, sixteen, is about to be married to a total stranger—and caught up in an insidious plot to rob her cousin, King Edward, of his throne. But that's the least of Jane's problems. She's about to become Queen of England.

Like that could go wrong.

“The Tudors meets Monty Python. Prepare to laugh and gasp and clutch your pearls.”—Tahereh Mafi, *New York Times* bestselling author of the Shatter Me series

“History, humor, and unexpected magic come together in this marvelous story.”—Jessica Day George, *New York Times* bestselling author of *Silver in the Blood*
