Qualitative Research: Theory, Method and Practice From Brand: SAGE Publications Ltd

Building on the global success of the *First Edition of Qualitative Research: Theory, Method and Practice*, the new edition has been thoroughly updated and revised. It succeeds in providing a comprehensive yet accessible guide to a variety of methodological approaches to qualitative research. Edited by David Silverman, the book brings together a team of internationally-renowned researchers to discuss the theory and practice of qualitative research. In each chapter, the contributors broaden our conception of qualitative research by drawing upon particular examples of data-analysis to advance their analytical arguments.
