The **Breakbeat Bible**, by Michael Adamo provides the most in-depth study of breakbeat drumming in print. The style is divided into **thirteen essential elements**, with each element discussed in its own chapter. Hundreds of exercises and beats give the reader ample opportunity to practice the elements, which, when assembled, will give the drummer the ability to integrate a complete language of incredibly funky concepts into his or her playing. **Over 90 transcriptions** of beats and breaks provide the reader with a window into hip-hop breakbeat drumming. Included are some of the most sampled beats in music history including information about the original song and later songs that used the sample.

Also included is a **historical overview** of hip-hop and breakbeat drumming, as well as **biographies** of many of the architects that helped design the culture. The Click Track Loops chapter provides an incredibly challenging system for practicing the breakbeat/hip-hop elements and other grooves against various patterns programmed into a drum machine. These will help the reader attain new levels of tightness, precision, and groove in their drumming.

The Breakbeat Bible has many **audio examples** of exercises, beats, and eight-bar phrases that can be **downloaded or streamed** using a unique download code provided in the book.
