**The Burying Place (Lt. Jonathan Stride series, Book 5)(Library Edition)** By Brian Freeman

Lieutenant Jonathan Stride is quietly recovering from injuries sustained on his latest case when a rich doctor's baby is kidnapped and his peace is shattered. As suspicion builds that the doctor may have staged the baby's disappearance, the relationship between the doctor and his wife and neighbors begins to disintegrate. Stride and his lover and partner, Serena, find themselves on opposite sides of the case, with Stride pursuing evidence that incriminates the doctor and Serena trying to prove that the baby really was abducted. Meanwhile, Stride's colleague, Maggie, and her headstrong young partner are tracking a man responsible for a violent crime wave in the rural areas of Duluth. There seems to be no connection between the cases until a victim with ties to the doctor's case turns up murdered in the signature style of the Duluth killer. [This is Book 5 of the Lieutenant Jonathan Stride series]

## **Editorial Review**

From Publishers Weekly

Though Jonathan Stride is still recovering from injuries he suffered in a high fall at the start of Freeman's intriguing if overly plotted fourth thriller featuring the Duluth, Minn., police detective (after *In the Dark*), he's soon looking into the kidnapping of the 11-month-old daughter of a Grand Rapids, Minn., surgeon, Dr. Marcus Glenn, who happens to be a local cop's brother-in-law. Jonathan thinks the kidnapping is an inside job, especially after unsavory secrets about the arrogant surgeon come to light. Meanwhile, Jonathan's partner, Det. Maggie Bei, aided by rookie Kasey Kennedy, scrambles to catch a serial killer who's murdered several women in Duluth. When Kasey is witness to the fiend abducting a victim, the killer becomes fixated on Kasey. An appropriately creepy atmosphere and well-rounded, flawed characters compensate only in part for the forced connection between the two cases, either of which could have easily carried the novel. From [Booklist](#)

Duluth, Minnesota, detective Jonathan Stride is struggling with the emotional and physical aftermath of the bridge plunge that nearly cost him his life when the abduction of a wealthy surgeon's infant daughter brings him back to work. Young Callie Glenn disappeared from her home while her father, Marcus, and a babysitter were on the premises. Could either of them have been involved? Stride and his girlfriend, Serena (a former Las Vegas detective), dig deep into the case, and the longer they search, the more suspicious and cold-blooded Doctor Glenn appears. (He only agreed to have a child to placate his depressed wife and admitted on more than one occasion that he wished the little girl had never been born.) Meanwhile, a serial killer is murdering young women across the Minnesota countryside. Stride navigates his way through a tangled web of family dysfunction and distress while coping with a rocky patch in his relationship with Serena. Crisp dialogue, steady suspense, and a cast of original characters drive this fifth entry in Macavity Award-winner Freeman's excellent series. --Allison Block

Review

Intriguing. . . An appropriately creepy atmosphere and well-rounded, flawed characters. . . --Publishers Weekly

Crisp dialogue, steady suspense, and a cast of original characters drive this fifth entry in Macavity Award-winner Freeman's excellent series.--Booklist

Brian Freeman is, quite simply, a first-rate storyteller. --Nelson DeMille

## **Users Review**

**From reader reviews:**

**Pamela Garcia:**

In this 21st one hundred year, people become competitive in every single way.
