The Cinema Book By Meike Bernink

This much-anticipated new edition builds upon the achievements of the first, taking stock of the many recent exciting developments in the field while retaining the historical coverage and depth of the original. The text is supported by over 250 illustrations, selected reading guides, and full bibliographies. Another unique feature of *The Cinema Book* is its fifty-five sidebars that support the text with in-depth analysis and relevant information on over 350 films. This new edition will consolidate *The Cinema Book*'s position as the leading teaching aid in the field.

Editorial Review

From Library Journal

This guide, prepared by the British Film Institute and published in Britain in 1985, has much to recommend it. Chapters on film history and theory, stars, and "authorship" offer intelligent discussion and analysis. Stills are carefully chosen and an extensive filmography includes detailed plot synopses, lacking in many film reference books. However, the audience for this book may prove small. In its discussion of film theory (in which an inordinate amount of space is given to structuralism), *The Cinema Book* delves far more deeply than most texts and will likely leave many students (and teachers) in the dark. Recommended as a supplemental text for larger collections. Thomas Wiener, formerly with " American Film, " Washington, D.C.

Copyright 1987 Reed Business Information, Inc.

Review

"It is a joy of a book, visually and textually, and it will delight all who care about film, whether makers, critics, students or plain ticket-buying cinema-goers."-- "Multimedia Information & Technology

Users Review

From reader reviews:

Graciela Cook:

In other case, little persons like to read book *The Cinema Book*. You can choose the best book if you love reading a book. As long as we know about how is important any book *The Cinema Book*. You can add understanding and of course you can around the world by way of a book. Absolutely right, because from book you can learn everything! From your country till foreign or abroad you will be known. About simple point until wonderful thing it is possible to know that. In this era, we are able to open a book or searching by internet device. It is called e-book. You should use it when you feel uninterested to go to the library. Let's learn.

Joshua Smith:

As people who live in the modest era should be revise about what going on or facts even knowledge to make these individuals keep up with the era which can be always change and move forward. Some of you maybe will update themselves by reading books. It is a good choice for you but the problems coming to anyone is you don't know which you should start with. This *The Cinema Book* is our recommendation to help you keep up with the world. Why, since this book serves what you want and wish in this era.

Gerri Pettit:

Reading a e-book can be one of a lot of action that everyone in the world loves. Do you like reading book so. There are a lot of reasons why people fantastic. First reading a guide will give you a lot of new info. When you read a publication you will get new information simply because book is one of many ways to share the information or perhaps their idea. Second, examining a book will make you actually more imaginative. When you looking at a book especially tale fantasy book the author will bring that you imagine the story how the characters do it anything. Third, you may share your knowledge to other individuals. When you read this The Cinema Book, you could tells your family, friends along with soon about yours reserve. Your knowledge can inspire the others, make them reading a guide.

Christopher Scoville:

Reading can called thoughts hangout, why? Because if you are reading a book especially book entitled The Cinema Book your brain will drift away trough every dimension, wandering in each aspect that maybe unfamiliar for but surely can become your mind friends. Imaging each and every word written in a reserve then become one contact form conclusion and explanation which maybe you never get previous to. The The Cinema Book giving you an additional experience more than blown away the mind but also giving you useful facts for your better life on this era. So now let us explain to you the relaxing pattern is your body and mind are going to be pleased when you are finished looking at it, like winning a game. Do you want to try this extraordinary paying spare time activity?
