The Constitution: An Introduction Michael Stokes Paulsen, Luke Paulsen
From war powers to health care, freedom of speech to gun ownership, religious liberty to abortion, practically every aspect of American life is shaped by the Constitution. This vital document, along with its history of political and judicial interpretation, governs our individual lives and the life of our nation. Yet most of us know surprisingly little about the Constitution itself, and are woefully unprepared to think for ourselves about recent developments in its long and storied history.

The Constitution: An Introduction is the definitive modern primer on the US Constitution. Michael Stokes Paulsen, one of the nation's most provocative and accomplished scholars of the Constitution, and his son Luke Paulsen, a gifted young writer and lay scholar, have combined to write a lively introduction to the supreme law of the United States, covering the Constitution's history and meaning in clear, accessible terms.

Beginning with the Constitution's birth in 1787, Paulsen and Paulsen offer a grand tour of its provisions, principles, and interpretation, introducing readers to the characters and controversies that have shaped the Constitution in the 200-plus years since its creation. Along the way, the authors provide correctives to the shallow myths and partial truths that pervade so much popular treatment of the Constitution, from school textbooks to media accounts of today's controversies, and offer powerful insights into the Constitution's true meaning.

A lucid and engaging guide, *The Constitution: An Introduction* provides readers with the tools to think critically and independently about constitutional issues—a skill that is ever more essential to the continued flourishing of American democracy.

From reader reviews:

Robert Penrose:

Book is to be different per grade. Book for children right up until adult are different content. As you may know that book is very important for us. The book The Constitution: An Introduction ended up being making you to know about other knowledge and of course you can take more information. It is extremely advantages for you. The e-book The Constitution: An Introduction is not only giving you a lot more new information but also being your friend when you sense bored. You can spend your own personal spend time to read your e-book. Try to make relationship using the book The Constitution: An Introduction. You never feel lose out for everything in case you read some books.

Brian Roberts:

As people who live in the modest era should be revise about what going on or information even knowledge to make these individuals keep up with the era and that is always change and progress. Some of you maybe can update themselves by reading through books. It is a good choice for yourself but the problems coming to a person is you don't know what kind you should start with. This The Constitution: An Introduction is our recommendation so you keep up with the world. Why, because book serves what you want and want in this era.

Lori Thomas:

Information is provisions for folks to get better life, information these days can get by anyone at everywhere. The information can be a understanding or any news even a problem. What people must be consider if those information which is within the former life are challenging to be find than now's taking seriously which one would work to believe or which one the actual resource are convinced. If you get the unstable resource then you obtain it as your main information we will see huge disadvantage for you. All of those possibilities will not happen inside you if you take The Constitution: An Introduction as the daily resource information.

Jessica Henriquez:

Beside this The Constitution: An Introduction in your phone, it could possibly give you a way to get more close to the new knowledge or data. The information and the knowledge you may got here is fresh from the oven so don't possibly be worry if you feel like an aged people live in narrow small town. It is good thing to have The Constitution: An Introduction because this book offers to your account readable information. Do you often have book but you seldom get what it's about. Oh come on, that would not happen if you have this

in the hand. The Enjoyable arrangement here cannot be questionable, like treasuring beautiful island. So do you still want to miss it? Find this book and also read it from at this point!
