Truly, Madly, Sweetly (Sweet Love Book 1) By Kira Archer

Sugar and spice and love that's oh-so nice...

An inherited parking spot. That's all it took to make Natalie Moran's food truck dreams come true. But her dream space is attached to a bakery inherited by someone *else*—drop dead gorgeous Eric Schneider, a financial consultant who wouldn't know a cupcake from a cannoli. And he wants to buy Nat out, no matter what she has to say about it.

Eric's determined to build his own business, but he needs the super cute klutz with the cupcake truck to help. If Nat will teach him the basics of running a bakery, he'll give her free kitchen time. Except...neither expects the heat burning between them or the possibility that their arrangement might become *permanent*.

When it all blows up, Nat is convinced his actions mean betrayal. It's up to Eric to regain her trust and show her he's a man who is truly, madly in love with her, before she disappears from his life forever.
